**COASTAL HOTEL GROUP SELECTED TO MANAGE**  
**THE INN AT OTTER CREST ON OREGON'S CENTRAL COAST**

SEATTLE, Washington (February 27, 2007) – Coastal Hotel Group has been selected to manage The Inn at Otter Crest, a 280-unit condominium-hotel on the central coast of Oregon, reports Yogi Hutsen, Coastal's President & CEO.

According to Hutsen, "The Inn at Otter Crest is a key addition to the Coastal portfolio, particularly because of its geographic proximity, both to our corporate office in Seattle and our growing collection of properties from Washington to California and Arizona. Otter Crest is another leisure travel getaway for our guests who have come to value the Coastal Hotels experience. Of course, we greatly appreciate the vote of confidence from Patrick De La Grange, President of The Inn at Otter Crest's Association of Unit Owners."

Adds De La Grange, "When it became time to select a new hotel management company, Coastal Hotels was a natural choice. For us, it was important to have a company that understands the special appeal of our destination. Coastal is an established company that continues to demonstrate excellence in operations and marketing. Each is important to us as we move forward with our valued asset."
